Dear fellow YIPPJC Congregants,

Associate Rabbi

Benjamin Houben

As the calendar year 2013 draws to a close, we look back at another excellent year. Before 2013 passes us by, please take a moment to consider our wonderful "second" home, the Young Israel of Pelham Parkway Jewish Center. The year-end provides an excellent opportunity to incorporate the Synagogue into your year-end plans. Any donation, pledge or sponsorship is tax deductible on your 2013 tax return as long as the payment is made by December 31st. We would be happy to accept your contribution in any way either by check that can be brought in during office hours to our Staff, or our convenient online payment system through our website.

Your Contributions goes directly to the operations of the synagogue and the various programs like; Lox 'n' Learn, the weekly Kiddush's, community programming, and weekly bulletins and newsletter printings, as well as other Expenses and Expenditures. We are all very excited about what our community and synagogue has accomplished in these past years from the move into our new home, and we know with Hashem's guidance we will continue these efforts in the time to come.
